Support the Cancer Assistance Services (CAS) HALTON HILLS

"The apple is our wish for good health and hope"

Hello,

In continuing with our yearly fundraiser to a chosen charity, this year we have chosen CAShh.

For 4 consecutive years, *Language Marketplace Inc* has donated a portion of its Net sales to Charity, with the help all our clients.

The **Cancer Assistance Services of Halton Hills (CAShh)** is the only non-profit organization in Georgetown, Ontario that provides second to none practical services to cancer patients free of charge.

CAShh is not funded by the government or grants, but is solely dependent on the kind support of the community. They have almost 500 volunteers, including 39 drivers that drive patients to their appointments. They have assisted thus far over 800 patients.

More information about CAShh can be found at www.cancerassistance.org

CAShh is a registered charity but is not related to any other cancer organization, so all the money raised stays within the local community. Georgetown, Ontario is my home.

As President and CEO of Language Marketplace Inc. I would like to thank each one of you for the opportunity to earn your business as we work hard to meet and exceed the high standards that you deserve as our client.

Language Marketplace Inc will be donating **10% of our Net Sales from July 1, 2008 to September 30, 2008 to the CANCER ASSISTANCE SERVICES Halton Hills**.

Language Marketplace Inc is the premier source for translation and interpretation services. We offer the best rates[1] in the industry. We provide great customer service and always deliver your projects on time.

So, if you have been putting a specific project on hold, now is the time to have it move forward. In addition, for all those clients that use our services on a regular basis, I wish to thank you for your business. Our fundraisers are also our way of thanking everyone for their business.

Warmest Regards,

Ema Dantas
